

GLUTEN-SENSITIVE MENU SUGGESTIONS

We are delighted to offer these suggestions. This menu and the information on it are provided as a service to our customers with the express statement that we cannot guarantee to any persons with Celiac Disease or gluten-intolerance that no gluten will inadvertently be contained in these dishes. Our kitchen does not have a dedicated gluten-free area. It is not possible to completely avoid unintentional inclusion of gluten into these dishes. For example, we do not have a dedicated gluten-free fryer.
